

City Fertility

Global CHA IVF Partners

Fertility Wellness Benefits

City Fertility is Australia's largest IVF group on a global platform with 16 clinics, over 70 consulting locations and over 60 specialists nationwide. We are committed to providing you with excellence in fertility care and IVF, cutting edge technology and most importantly, a personalised approach to treatment.

With a full range of fertility services on offer, we are able to tailor treatment plans to your individual needs, no matter your individual circumstances. Providing you with state of-the-art fertility treatment, we combine excellent medical care with a personalised and compassionate approach, ensuring you are well informed throughout your journey.

We are pleased to offer employees and family members at **No Need for Prince Charming** podcast a **20% discount*** on a range of fertility services and treatments we provide. Please quote the voucher code **"CHARMING CITY20"** at the time of booking to claim the discount.

Together **No Need for Prince Charming** and City Fertility will support you with expert fertility advice and treatment, giving you the best chance of achieving your dreams of parenthood.

Confidential fertility services with a 20% discount is available on the following services:

- ▶ Sperm preparation
- ▶ Intra-Uterine Insemination (IUI)
- ▶ In Vitro Fertilisation (IVF)
- ▶ Intracytoplasmic Sperm Injection (ICSI)
- ▶ Frozen Embryo Transfer (FET)
- ▶ Sperm and egg freezing
- ▶ Andrology services including DNA fragmentation

We also offer six months complimentary egg, sperm and embryo storage, for your convenience.
